

Hard Night Guards

Protect your teeth from severe grinding and clenching with Hard Night Guards from OkiGuards. Engineered for durability and maximum defense, these custom-fit guards are ideal for heavy bruxism cases. They provide a strong barrier without compromising fit or comfort.

Key Features:

- Designed for heavy teeth grinding (bruxism)
- Hard, durable thermoplastic construction
- Custom-fit for maximum protection
- Ideal for nighttime use
- BPA-free and safe for daily wear
